

OUH INDUSTRIAL FAN HEATERS

What is an Industrial Fan Heater?

Our durable and dependable industrial fan heaters provide efficient heating for large industrial spaces. Hand-assembled in the UK, each unit comes with a 5-year warranty and is now available with user friendly Wi-Fi controls.

Key Features

- FIVE YEAR WARRANTY
- Robust all-steel construction
- Bracket for wall or ceiling mounting and hooks for vertical suspension (The OUH3-40 can only be hung from 10mm drop rods)
- Built-in adjustable thermostat plus over temperature and heat purge devices
- Fitted with fused control circuit and contactor
- Optional switch provides on/off/fan only settings
- Remote-mounted programmable thermostats available
- Up to 16 heaters can be connected together and controlled from a single controller

Energy Saving Tip

Installing a destratification unit can reduce your heating bill by up to 30% (see page 40).
